

TROY STATE TEACHERS COLLEGE
TROY, ALABAMA

T. S. C. LIBRARY TROY, ALA.

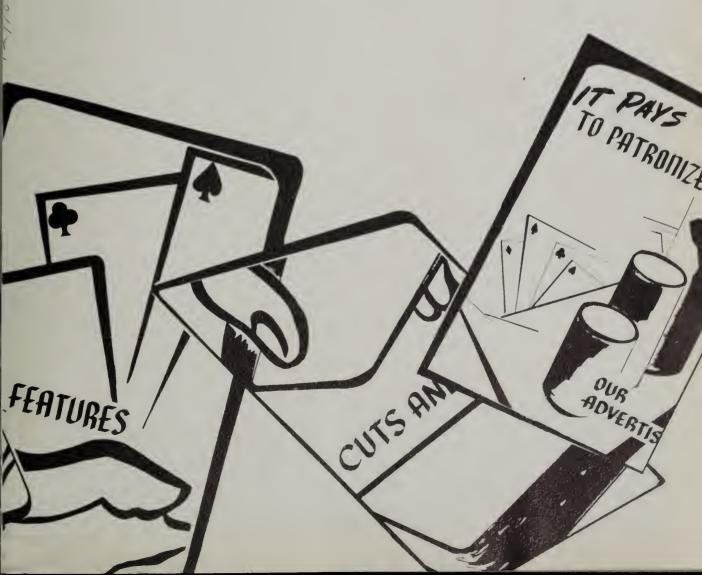

We, The 1952 Palladium Staff, present to you your yearbook. We hope it will be something that you will cherish as a memento to the happy days you have had at Troy State. We have endeavored to make it a book in which to be proud—a means of recalling the work and play we have had together. Every effort has been made to include all phases of college life—both large and small . . . the love for our Alma Mater and those things for which she stands. May this book give you the memories of working together and help you to understand the need for going forward. "Treasure Your Memories, They are the Castles of Tomorrow."

Your Editor, Otis Kirkland
